

TIFFANY DANCE CO.

6361 W. 13400 S. IN HERRIMAN

What Sets TDC Apart from Other Studios

We run things a little bit differently than most studios with competition teams. We believe that anyone who wants to dance and compete should have the opportunity, so everyone makes our team; we just split you by age and ability. We also firmly believe that kids should be kids and that schoolwork comes first!

That means we don't require crazy hours spent in the studio. We allow you to pick as little or as much as you want to dance with our best dancers, who only dance 10 to 12 hours a week. That may sound like a lot, but compared to most, we are dancing quite a bit less. However, I can proudly say we still hold our own at competitions.

I also firmly believe in sticking with the high standards that we have set in both music and costume selections and keeping our moves appropriate for little girls and teenagers, even though this separates us more each year. Teaching my students that good sportsmanship, honesty, and integrity are just as important as winning and that being kind is the only way to be.

We are a family here at TDC, where I want everyone to feel loved and like they matter and learn a passion for the art of dance. We know how to work hard and have fun, and we want to instill confidence in each student. While we proudly send many students onto high school and college dance teams.

- **Strictly Ballet or Technique:** These classes focus solely on progression of dance skills, and **do not perform.**
- **Pointe Classes:** To be in our Pointe class, you must be 12 or older and have previous ballet experience.
- **Strictly Tumbling:** We also have a very successful strictly tumbling program that focuses solely on tumbling skills not dance skills. Our strictly tumbling classes are split based on ability, not age.

***Please Refer to Information Below to Learn More Specifically About Competition versus Recreational Classes Available**

Noncompetitive/Recreation classes:

Our noncompetitive classes will be held weekly for one hour. These classes will perform at two recitals. Attendance is still very important and plays a big part in their progression.

Competition Team:

COMPETITIONS ARE NOT OPTIONAL.

Our competition team will be required to meet a minimum of 2 hours per week and will be required to attend additional mandatory practices prior to competitions. **The competition team is for students willing to commit more seriously to attending every practice.** Higher-level teams will require more hours per week. **To be on our team, you need to be in 1st grade/6 years old or older.**

Kindergarteners interested in competing, **we have a mini-team** that meets only once a week and will only compete at two competitions. **The mini team is split by age and ability and is for 5-year-olds through 2nd Grade.** The mini-team is an excellent step between recreational classes and the competition team.

A Schedule of competition dates will be sent home in October. These performances are mandatory. We do five competitions per year. 1st through 2nd graders have the option to be part of the regular or mini-team. **To be a part of our team, you will be REQUIRED to take a ballet/technique class. This class will not perform.** This requirement is for ALL regular team members (it does not apply to mini teams, but they are encouraged to take a separate technique/ballet class).

***There will be BLACKOUT DATES all competition team members MUST ATTEND THOSE DATES OR THE STUDENT WILL BE SPACED OUT OF COMPETITION ROUTINES.**

Performances

We will have a Christmas and Spring Recital; ALL STUDENTS will perform twice a year regardless if you are on competition or recreational teams.

There will be small fees associated with each performance.

Competition team students will be performing at **five competitions** in addition to the two recitals.

Competition fees will be due in January.

Costumes

Students will pay approximately **\$40 for Christmas** costumes and roughly **\$55 per Spring** costume for younger, noncompetitive students. Competition and older students requiring adult sizes will spend roughly **\$75 per costume** and should plan on one for each class you are in. Competition students should plan on **\$200 per class** to cover the cost of their costume and competition fees. **That is an estimate.**

Costume money will be due in October (for the Christmas recital and Competition students) and in March for the Spring recital. Early payments are accepted. **The competition team will do FUNDRAISERS TO HELP RAISE MONEY FOR Costumes/Competition Fees.** Funds earned will be used toward dance expenses only; they will not be paid out in cash. If, for any reason, you fundraise and then choose to no longer participate in dance, TIFFANY DANCE CO. is not obligated to pay out funds earned.

Tuition

\$50.00 a month for a one-hour class per week and \$20 for each additional class (per individual student).

The competition team will be required to pay a \$10 fee for ballet/technique along with your monthly tuition, and the **prices for the comp team will range from \$60 to \$180 a month.** i.e., (Two performing classes along with technique/ballet would be \$80, Three classes \$100, Four classes \$120, Five classes \$140, Six classes \$160, and Seven or more classes is \$180.
