January 2025

Welcome back to dance... I hope everyone had a wonderful Christmas and enjoyed their break/time off... Great job at the Christmas recital all the kids did such a great job! Thank you for your patience with all the chaos, I try every year to figure out a way to eliminate it and it just doesn't seem to happen ;) one day...

Thank you to everyone that gave myself and the other teachers Christmas gifts we all really appreciate your thoughtfulness. Thank you also to everyone who helped with our sub for Santa, I can't tell you how much I appreciate the opportunity it gives my family to start Christmas off right...

Not too much going on this month. Classes resume the 6th.

We do have classes on Mon the 20th even though it is Martin Luther King day and the kids are out of school.

All kids are still in the same classes you registered for back before September it goes until the end of May unless you have requested to make changes.

Thank you so much for your recommendations. I will continue to add a few students here and there (where there is room until February

A few reminders we have every month...

Tuition is due the first lesson of the month

Please make sure your children come in dance clothes with their dance shoes.

Please be patient in the drive thru dropping kids off and encourage your kids not to run across the parking lot

Only registered students are allowed in class

The Spring recital is scheduled for May 28th so mark your calendars.

Costume /recital fees will be due with March's tuition. Prices will come out in February.

Remember attendance plays a big part in your child's progression so please try to come each and every week :)

Thank you for allowing us to teach your children, we love each of them and I personally feel very grateful to be able to have the job that I have and get to know all these amazing kids and their families...
