February 2025 Rec Team

This Month

The week of 2/10 -2/13, your child can bring Valentines to class to share with their friends if you want, this is optional. We will still hold class as usual this will just be the last few minutes of class.

We still have classes on Presidents day

Regular reminders:

Tuition is due the first lesson of the month.

Wear appropriate dance clothes/shoes to class each week

Only registered students allowed in class.

Attendance really makes a difference in each child's progression and it helps the class as a whole as well.

Please be patient in the drive thru.. (sorry Thurs for forgetting the cones 1/2 the time) The bank has said we are good to drop off on their side as well so ignore signs :)
